WE ARE OPEN AGAIN

Last week's bulletin entry was eerily timely. I wrote that our collaborative schedule incorporates "many moving parts" in order to balance several parish events and safety protocols. This happens constantly throughout the week and may not be observable at Sunday Mass. Additionally, we need to be able to respond to a turn of events with teamwork and patience. Any response to changing circumstances is never perfect, but that doesn't mean change can't be anticipated either. That's why the collaborative schedule is what it is.

To paraphrase last week's bulletin:

You may find it unusual to think that the manner in which we run our Religious Ed classes or offer Mass for the students of St. Monica School could affect so many other events in our calendar, even on a different day, but it's true. In COVID world, everything produces a ripple effect. That's because the time and effort it takes to prepare for, run, and cleanup up after any event has many safety protocols. It's never just as easy as adding an event to the calendar or asking for more volunteers to help. Any change affects several aspects of what needs to be done for other events and who is available to make it work.

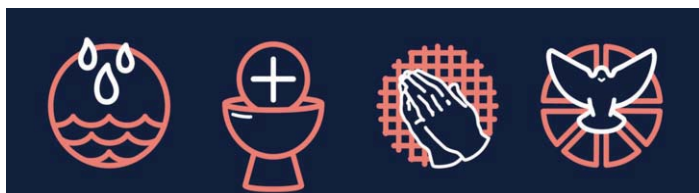

Also, protocol changes from the State, Archdiocese, or Methuen COVID code can quickly throw a monkey wrench into what we can or cannot do. This makes planning major events very difficult and requires almost a month-to-month, even week-to-week mindset. When something outside of our expectations happens--someone informs us that they've tested positive for COVID-19 or a larger than expected number of people show up for an event-- these circumstances require on the ground

decisions or a contingency plan. However, a major change in how we operate is not practical or necessary.

I used the words "eerily timely" regarding that bulletin entry because it was written before the events of last week. Though Fr D'Onofrio and I are perfectly healthy, we still had to respond to someone else's condition by being tested and going into temporary quarantine. Our tests came back negative, we are both still asymptomatic, and expect to be back at Mass this weekend based on the timing of when we were possibly exposed. Nevertheless and unfortunately, I elected to suspend the Sunday Mass schedule last weekend due to this and other unrelated events. I did not think it was prudent or safe to celebrate mass when it required hurriedly coordinating several moving parts and key players. Call it an "operational pause."

Simplicity is helpful. I have said any number of times during the weekly preparatory instructions before Mass that if one feels crowded at one particular parish Mass, that person may need to think about attending another, even if it is a different parish. Similarly, Daily Mass is much simpler and safer to celebrate (especially for a visiting priest) at St. Lucy Parish. That's why we are holding Daily Mass there through Thanksgiving weekend. In fact, that simplicity is why we are ***even able to have a Thanksgiving Mass this year at all.*** These occasional adjustments that we all must endure aren't meant to signal anything about parish life beyond COVID world. To the contrary, they facilitate a fruitful parish life until we get there.

The Sunday Mass schedule is back on, praise God, in a timely manner. I'm sorry for the concern and inconvenience suspending the local Mass caused all of us, but we must remain responsive to the world around us and thankful to the parishes nearby that picked up the load. Hopefully, by being both structurally sound and flexible at the same time, we won't have the same circumstance occur anytime again soon.

Thanksgiving and Christmas Programs

Recognizing the challenges our parish community continues to face in 2020, and the anticipated surge in the COVID virus, we have had to modify our 2020 Thanksgiving and Christmas programs to ensure the safety of our parishioners and the families we serve.

For Thanksgiving this year, your ongoing generosity has made it possible for us to provide each of our families with a grocery store gift card and bag of holiday related food items.

In place of an Advent Tree with tags and gift requests, we are going to offer Target or Wal-Mart gift cards to the children we serve in our ministry. If you would like to participate in our Nativity Program for 2020, we will have designated boxes as you enter the church each week where you can leave a gift card in any denomination you choose. You may also mail gift cards directly to the Parish Office, SVDP Nativity Program, 254 Merrimack Street, Methuen, MA 01844.

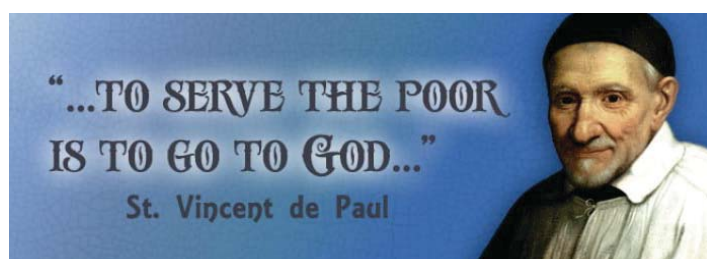

We plan to provide our families with a supermarket gift card to help with their Christmas meal.

As always, thank you for your generosity and support of our programs. The families we serve truly appreciate the assistance your donations provide. God bless you.
