PRESCHOOL SUMMER FUN BINGO

Summer is here and we invite all preschoolers to a challenging game of Bingo. You win by completing each activity going down, across, or diagonal. If you are very ambitious you can complete the whole page! Have an adult initial the block after you complete each activity. You may even attach pictures to show us how much fun you were having. The Bingo sheet needs to be returned the first full day of school to collect your prize.

HAVE FUN AND SEE YOU IN SEPTEMBER!
