Coming In January!!!

Blanket And Sock Drive For Lazarus House Ministries Sponsored By The Blessed Virgin Mary Sodality

Again this year, St. Lucy and St. Monica Parishes along with St. Monica School will be collecting new and gently used, clean blankets and new adult and children socks throughout the month of January. When shopping this Christmas season, consider picking up a blanket or some socks so that we can bring warmth to our brothers and sisters in need.

Beginning the weekend of January 7 and 8, 2017, look for the blue bins at St. Lucy's main entrance and large boxes at St. Monica's entrances.

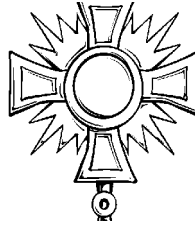

Next week, at all our Christmas Masses, our collection will be to support the retirement, medical and financial needs of priests of the Archdiocese of Boston. On behalf of all of our priests, thank you in advance for your generosity. For more information, please visit www.clergyfunds.org

Our Parish Office will be closed on
December 23rd, 26th and January 2nd.

Holy Hour for our Parishioners

Monday Nights at 7:00pm at St. Lucy Church

Eucharistic Adoration takes place at St. Lucy's Church and St. Monica's Chapel. Please contact Bonnie Doherty at bonnieocds@gmail.com or 978-270-3366 for more information about adoration at St. Monica's and the parish office for information about adoration at St. Lucy's.

Money - We use it to open the hearts of God's people, not to close our own

Many of you know in my younger years I was a DJ and one of the songs I would be asked to play from time to time was the “*For the Love of Money*” a 1970's R&B hit by a group called the *O'Jays*. The song serves as a warning that the love of money is a very bad thing. St. Paul writes to Timothy (1 Tim 6:10) that “*the love of money is the root of all evil.*” The O'Jays sing poignantly of the sadness that comes if we let money “*rule*” us or “*fool*” us.

I am deeply appreciative of Dick LaPointe, Walter Andrews and Sharon Walsh for speaking in our parishes in recent weeks about the importance of the parishes' Grand Annual collections and financial support in general. They did a great job in reminding us that our parishes are our spiritual homes, the places that mean so much to our shared life together. One of the hardest parts of pastoring is talking about money. It is never easy for us, and many pastors are afraid of being accused of talking of it too much. One friend told me that it isn't that we speak about it too often but rather that we talk about it the wrong way. We often speak about it as it relates to particular needs. Any parish could need a new boiler, or roof repairs, or a number of concrete needs. Often our appeals are directly connected to such particular needs, rather than developing in the people a spirituality of using money well. Our churches are much more than just places we receive services, they are vital to the health of our spiritual lives, individually and communally. Our “spending” money in support of our church is caring for our shared home. It is a precept of the Church to support our parishes. We are challenged by the Lord to give our first fruits to God, not just to toss him our leftovers. The parable of the widows might speak very powerfully to us, regardless of the amount.

Our care for our parishes is not almsgiving, though a portion of what we collect certainly goes to that. Our giving is to ensure the health of our parishes in its programs, initiatives as well as the maintenance of our buildings. What we spend money on speaks powerfully to what we value. In economics they speak about “voting with our dollars.” It truly is what we do each time we spend money. We also know that praying about how we spend our money can help us to grow spiritually. Do I place my self worth in my zip code, the car I drive, a second home, or the vacations I take? Is my self worth dictated by clothing or possessions like sports tickets? We contemplate St. John the Baptist's lifestyle in the desert and Saint Mother Theresa's admonition to the developed West that we were the poorest in the world because so many do not know God. She said our spiritual poverty is worse than physical hunger.

It is good for us to remember that over time the value of the dollar drops. As we track changes in prices over time its good for us to remember that \$1.00 in 1983 is only \$0.41 now. Another way of looking at it is if something cost \$1.00 in 1983 that same item, on average, would cost nearly \$2.50 today. A medium coffee at a workingman's chain is now over \$2.00 with tax.

I hope each of you will pray over your giving, both for the weekly offertory and the Grand Annual Collections. For the Grand Annual our goal is \$85,000 at St Monica and \$60,000 at St Lucy. I humbly ask again that each family pray about a gift of \$200 to the Grand Annual and consider a \$1 increase in the collection each week.

I promise to continue to be a good steward of the money that comes to us, I remember in prayer day that it is God's money, not mine. It is entrusted by him to us, not just to me, though it is humbling to be the person ultimately responsible for it. Please pray that God gives me, the staff, and the finance councils, the grace to use it well.

Meet Msgr. McDonough— A Priest and a General

As a native of Boston, Msgr. John P. McDonough never dreamed he would travel the world, bringing the presence of Christ to our military serving abroad. But for thirty years, that's exactly what he did. As a two-star general, Msgr. McDonough's call as a military chaplain was to ensure that men and women were able to practice their faith—Catholic or otherwise—as they served their country.

Now at 88 years of age, Msgr. McDonough reflects on a priesthood well-lived and well-served. He resides at Regina Cleri, a retirement home for senior priests in Boston, where he ministers to his brother priests, celebrates Mass with them daily, and continues traveling to parishes around the Archdiocese to assist with services.

To help ensure priests like Msgr. McDonough are cared for as they age, please support the Christmas collection this year.
